| F    | Fork Section                            | 35mm x                 | 35mm x 100mm x 1070mm |         |  |
| G    | Front Tyre (Polyurethane)               | OD 127                 | OD 127mm / Width 75mm |         |  |
| Н    | Rear Tyre (Vulkollan)                   | OD 250                 | OD 250mm / Width 75mm |         |  |
| I    | Standard Colour                         | Y                      | Yellow & Grey         |         |  |
| J    | AC Electric Traction Motor              |                        | 24V / 2.5 kW          |         |  |
| K    | AC Electric Pump Motor                  | 24V / 5 kW             |                       |         |  |

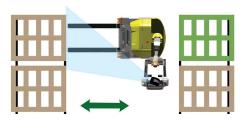

## Superior safety with Combilift's patented Multi Position Tiller Arm

Equipped with our patented multiposition tiller arm the Combi-WR offers safer operation.

The tiller can be turned to the left or right, allowing the operator to remain at the side. This provides full visibility of the load and forks, while maintaining full steering control, enabling greater awareness of the surroundings which enhances overall safety.

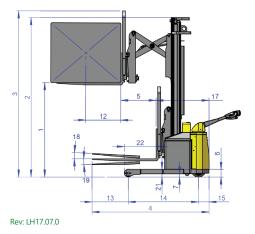

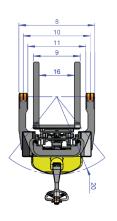

Standing to the side of the stacker eliminates the risk of being trapped or crushed while allowing the Combi-WR to operate in very narrow aisles.

## Features Include:

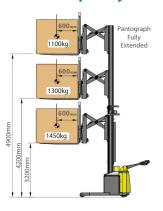

- Pantograph
- Power Steering
- AC Motor Technology
- 1000mm High Load Back Rest
- Rear Wheel Drive
- 80/80mm Side Shift
- Patented Multi Position Tiller Arm

## International Application No. PCT/EP2012/067238
